Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Overview

Key Features

The dexgrip line features seamless polyamide / cotton liners with latex coating.

COMFORT

The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The cotton thread absorbs perspiration and thus provides added comfort. Non pilling, the polyamide is suitable for precision work. The ventilated back

improves the gloves' breathability.

RESISTANCE

The crepe latex coating provides resistance to abrasion and perforation as well as an excellent grip.
