

## ULTRA 2040

**Multi-purpose penetrant, lubricant and water displacer containing PTFE for long-term lubrication.**

### Lubricant containing PTFE.

- Provides long term lubrication for locks, runners, guides and other items prone to wear.
- Prevents squeaking and creaking noises, e.g. door hinges.

### Rust penetrating agent with superb capillary action.

- Outstanding creep properties ensures product penetrates into the tightest tolerances to provide lubrication.
- Loosens seized and rusted parts.

### Displaces moisture.

- Perfect for use as a contact spray.
- Improves electrical conductivity and eliminates leakage currents.
- Drives water out of electrics.
- Prevents corrosion.

### Corrosion protection.

- Outstanding adhesive properties on metal.
- A thin, viscous protective film prevents moisture at even the slightest unevenness.
- Effectively protects against rust and corrosion.

### Silicone free.

- Safe to use around bodyshops.

### Gives a shine to surfaces

- Helps to restore original lustre.
- Ideal for detailing inside and outside of vehicle

Description	Art. No.	Pack Qty.
500 ml Aerosol	<b>0890 085 500</b>	1/12
20 L Container	<b>0890 085 021</b>	1
Tap for 20 L Container	<b>0891 302 03</b>	1
Ultra 2040 1 L Pump Bottle	<b>0891 503 040</b>	1

Technical Data:	
Colour	Amber Liquid
Density	0.80 g/ml
Temperature range	-20°C to 140°C
Viscosity	22 cSt at 40°C

### Application Areas:

- Displaces moisture from all electrical systems.
- Lubricates door hinges, locks and fuel caps.
- Lubricates window and seat runners.
- Loosens seized or rusted parts and fasteners.
- Stops squeaking and creaking noises.
- Lubricates bicycle chains and gear assemblies.
- Cleans and protects plastic and metal parts.
- Prevents corrosion on metal and electrical assemblies.
- Penetrates and displaces moisture.
- Protects and lubricates garden tools, power tools, drill chucks etc.
- Restores original lustre to vehicle surfaces.
- Also ideal for boats, caravans and motorcycles.
